Hi all (and thanks Garth, so glad you are 'aboard' with our Team),

Here's what I've got to-date. I had started this and was almost done when Lisa's note below came in.

I chatted with her this AM, noting that what I have now is Samish-centric since we started with the local, 'What's Upstream?' web-piece and all related

No worries. Lisa explained this (preparing briefing materials) will be iterative = what you see can easily be 'up-scaled' to have both Sound-wide AND as needed, Samish Bay only, pieces and parts.

I'm out tomorrow, but in 28th-31st to continue, so we should be in good shape for final product(s) by Jan 6.

Feliz Navidad!

Thanks so much, Garth!

Bill – in answer to your earlier question about process, if Peter agrees, I can take a shot at assembling your, my, and Garth's bullets into the fact sheet format Cindy Schuster provided and get a draft out to everyone prior to the January 6 Region 10 and OCIR deadline. The fact sheets are due in the Administrator's briefing book on January 12.

Peter – are you okay with that?

So as discussed see the request for briefing papers below with a sample fact sheet included.

Garth will work on the talking points/background from the legal perspective on whatsapp
and that can be added to what Lisa has already done (by Wed)

Bill is going to work on the Shellfish bed closure issue.

Lisa will work with Gina to provide a couple of points on the Riparian RFP.

Thank you all,

Peter

Subject: House Ag Hearing - Request for Briefing Papers

This is a request for the preparation of 3 briefing papers by January 6. The Administrator is scheduled to appear before the House Agriculture committee on Tues, Jan 26, to discuss EPA programs and regulations impacting agriculture. The national program offices are preparing most papers (listed below), and the regions are adding papers about regional issues that their members might bring up. For R10, we have 2 representatives and think that 3 topics might be raised:

Rep. DelBene—Puget Sound shellfish bed closures

Rep. Newhouse—WA WQS; Yakima groundwater and court cases

Attached is a sample fact sheet in the requested format: talking points, background, and expected Q and A. The connection with the member should be included, and I can help with that.

Kendra is checking for existing papers on WA WQS and shellfish and will send what she finds. The papers are due in the Administrator's briefing book on January 12; the January 6 date allows final review time here and at OCIR.

Thanks in advance for your help!
